

Fall River Junior-Senior High School

2021-2022 School Accountability Report Card

(Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Contact Information

School Name	Fall River Junior-Senior High School
Street	PO Box 340
City, State, Zip	McArthur
Phone Number	5303365515
Principal	Kelly Freeland-Sloat
Email Address	kfreelandsloat@frjUSD.org
School Website	frjUSD.org
County-District-School (CDS) Code	45699894533600

2022-23 District Contact Information

District Name	Fall River Joint Unified School District
Phone Number	(530) 335-4538
Superintendent	Dr. Merrill Grant
Email Address	mgrant@frjUSD.org
District Website Address	http://www.frjUSD.org

2022-23 School Overview

Fall River Junior-Senior High School (FRHS) is a six year comprehensive junior-senior high school (grade 7 through 12) in the Fall River Joint Unified School District. It is located four miles northeast of Fall River Mills in the town of McArthur, California. The district encompasses a large geographic area of 1200 square miles. Ninety-five percent of the FRHS students drive or are bussed to school. The local economy depends upon agriculture, forest management, lumbering, public, county, state, and federal government agencies, hospital, P.G.& E., small businesses, and tourism. Our community values education as evidenced by the strong support provided by parents, community members and local businesses.

The Vision (Our Goal) of Fall River Junior Senior High School is to provide a challenging and inclusive education that gives our students the tools and knowledge they need to be prepared, self-assured, and inspired to pursue their dreams in a complex and changing world.

Our Mission (Our Purpose) is for our staff and community to collaborate in a challenging educational program that will require critical thinking, creativity, citizenship, and communication to prepare all students for any post-secondary option.

Upon graduation, students at Fall River High School will have developed into:

Effective Communicators who have the ability to clearly and persuasively synthesize and convey ideas in written and oral form in conversations, interviews, phone calls, and presentations, and have the social awareness skills to make a positive personal impression so their ideas will be well received,

Critical Thinkers and Problem Solvers who will have the ability to make informed decisions and take appropriate action, Collaborating Team Members who are present and work effectively amongst diverse groups while maintaining high standards of character and citizenship, and

Creators and Innovators who have the ability to visualize possibility and implement action to improve society.

In addition, we believe that through their process of learning at Fall River High School all of our students should:

- Understand that they have the ability to make things happen and that they can have a positive influence on the world.
- Develop resilience to recover from disappointment or failure and in response, persevere.

2022-23 School Overview

- Recognize the power of giving and volunteerism in their community as well as the importance of being grateful.

About this School

2021-22 Student Enrollment by Grade Level

Grade Level	Number of Students
-------------	--------------------

2021-22 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
---------------	-----------------------------

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned) Intern Credential Holders Properly Assigned Teachers Without Credentials and Misassignments (“ineffective” under ESSA) Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA) Unknown Total Teaching Positions						
<p>Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.</p>						

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned) Intern Credential Holders Properly Assigned Teachers Without Credentials and Misassignments (“ineffective” under ESSA) Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA) Unknown Total Teaching Positions						
<p>Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.</p>

School Facility Conditions and Planned Improvements

The district ensures that all schools are clean, safe and functional. Maintenance staff completes the facility survey instrument developed by the State of California Office of Public School Construction to monitor the condition of the facilities. The results of this survey are available at the district office.

Age of School Buildings

Fall River Jr. Sr. High was opened in 1911. The current facility was built in 1939, renovated in 1969, and underwent another modernization in 2004.

Maintenance and Repair

District maintenance staff ensures that repairs are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Cleaning Process and Schedule. The site administrator monitors the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Year and month of the most recent FIT report

December 2022

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X			
Interior: Interior Surfaces	X			Rooms 9-10 had carpet replaced.
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	X			
Electrical	X			

School Facility Conditions and Planned Improvements

Restrooms/Fountains: Restrooms, Sinks/ Fountains	X	Restrooms on the football field need some repair.
Safety: Fire Safety, Hazardous Materials	X	
Structural: Structural Damage, Roofs	X	The concession stand has rotting siding and needs to be replaced.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	X	Front entrance needs some repair and paint. Bell tower was painted. Repair front pillars and paint.

Overall Facility Rate

Exemplary	Good	Fair	Poor
	X		

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A		N/A		N/A	
Mathematics (grades 3-8 and 11)	N/A		N/A		N/A	

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students					
Female

Students with Disabilities					

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2021-22 Career Technical Education Programs

Fall River Junior-Senior High School (FRHS) offers vocational classes and career exploration activities to help students prepare for the workforce.

Students also have opportunities through the district counselor on campus to take career assessments and explore different careers. Fall River High School is part of the Reach Higher Counseling Initiative in which Shasta County's high school counselors developed a common counseling curriculum that is delivered in our classrooms. Students notice a presence of our high school counselor teaching lessons around academic, college/career, and social/emotional development. The curricular standards focus on students being college and career ready and our teachers and programs are in line with this goal. Students enrolled in CTE courses are able to be guided through various programs with guidance from advisory board members involved in local industries such as ranching & farming, agricultural career leaders, and veterinary medicine. The Advisory Committee is led by an appointed president, Ken Hutchings, retired Agriculture Teacher.

Students at FRHS become CTE Completers in the following pathways:

- Construction
- Agriculture Science
- Metal Fabrication
- Floral Design

We also work with our local community college, Shasta College, for Dual Enrollment opportunities in welding and metal fabrication.

2021-22 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2021-22 Pupils Enrolled in Courses Required for UC/CSU Admission	
2020-21 Graduates Who Completed All Courses Required for UC/CSU Admission	

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	0	0	0	0	0
Grade 7	0	31	38	17	14
Grade 9	0	25	29	24	33

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

We are committed to communicating with and engaging parents as partners in their children's education. We believe that parents play a very important role through their active participation and involvement in School Site Council, Athletics, Boosters Club, Advisory Committees, various events, classroom volunteers and as Senior Project oral board judges, paper readers, and mentors. We have an updated school website that includes the daily bulletin, athletic schedules and other important events, and the ABI portal (which allows students and parents to access grades). FRHS is a focal point and center for students, their parents and the community. We encourage and welcome parent/family involvement. With COVID, it we have had to make adjustments to our in person involvement. We hold School Site Council and other meetings virtually and communicate more often through email, letters home, phone calls, etc. We have also emphasized communication with our Spanish speaking parents through our new Spanish teacher who translates all-calls, letters home, district forms, and in meetings. We are looking forward to the day when our parents can again walk freely into our building and participate normally.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2019-20	School 2020-21	School 2021-22	District 2019-20	District 2020-21	District 2021-22	State 2019-20	State 2020-21	State 2021-22

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
---------	-------------------	---------------------	------------------

Suspensions

Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22

2022-23 School Safety Plan

Fall River Jr. Sr. High has a Comprehensive Safety and Response Plan which meets the state requirements described in California Education Code Sections 35294- 35297. The plan was developed in cooperation with the Shasta County In addition, at the beginning of the 2018-2019 school year, all District employees participated in the ALICE (Alert, Lockdown, Inform, Counter, Evacuate) Basic Training Certification with a "live" drill following. ALICE teaches how students and staff can most effectively respond to an Active Shooter situation. Sheriff's Department and has conducted school wide drills in order to better prepare in the event of an actual emergency. This plan includes disaster procedures, procedures for safe entry and exit of students, procedures for serious disciplinary problems, a sexual harassment policy, child abuse reporting procedures and school discipline policies. The plan is reviewed annually at the start of school in order to ensure that new staff is familiar with all details. The Fall River Joint Unified School District had Safe Schools Alliance come in to do a study on our District to make sure that the policies and procedures we have in place are appropriate and that we are prepared for any safety emergency. We also revamped our communication system this year to include Valcom displays which have the capability to show the type of emergency to all classrooms. This is connected to our new voice over IP system that is capable of paging each classroom instantaneously. The school has several security cameras inside and outside of the building which are accessible in the administrative office. Our District places a very high value on our students' safety.

With COVID, we have updated our safety protocols to include mitigating the virus. We put out a reopening plan with detailed precautions:

Fall River High School
2021-22 Covid Protocol and Safety Plan

PURPOSE: To provide students and staff guidance on health and safety practices needed to safely resume in-person, on-site instruction for Fall River High School to open safely in the fall of 2021.

COVID-19 STAFF LIAISON: The FRJUSD Superintendent, Dr. Merrill Grant, will be the point of contact at Fall River High School for questions or concerns around practices, protocols, or potential exposure.

PROTOCOLS FOR STAFF OR STUDENTS WITH SYMPTOMS OF COVID-19: Note: This plan is fluid with changes and mandates from the county and the state health departments.

- Any students or staff exhibiting new or worsening symptoms will immediately wait in an isolation area until they can be transported home as soon as practicable. This will occur when students or staff exhibit the following symptoms:

Students:

- o Fever over 100.4 degrees
- o Cough
- o Sore throat
- o Severe Headache
- o Diarrhea or vomiting

Staff: Everything above as well as:

- o Shortness of breath or difficulty breathing
- o Fatigue
- o Muscle pain
- o Congestion or runny nose
- o New loss of taste or smell

Protocol for Return:

Students or staff can return by completing one of the following criteria:

1. 10 day exclusion from school
2. Negative COVID Test
3. Alternative diagnosis that explains the symptoms
4. Note from healthcare provider stating that they can return

- Parents, please DO A WELLNESS CHECK EVERY MORNING WITH YOUR STUDENTS. DO NOT SEND A STUDENT TO SCHOOL IF HE/SHE HAS ANY SYMPTOMS. Seek medical attention if COVID-19 symptoms become severe, including persistent pain or pressure in the chest, confusion, or bluish lips or face.
- FRJUSD will notify local health officials immediately of any positive case of COVID-19 and exposed staff and families as relevant while maintaining confidentiality as required by state and federal laws.

2022-23 School Safety Plan

- Areas used by any individual suspected of being infected with the virus that causes COVID-19 will be closed off and not used until the area has been cleaned and disinfected.
- Sick staff members and students will be advised not to return until they have met CDC criteria to discontinue home isolation, including 24 hours with no fever.
- To the extent possible, all students will have access to instruction when out of class. Students who must leave school due to COVID-related reasons, will be placed on distance learning, short term independent study, or home hospital.
- FRJUSD will implement the necessary processes and protocols when a school has an outbreak, in accordance with CDPH guidelines. Working with local public health there will be an investigation of the COVID-19 illness and exposures and determine if any work-related factors could have contributed to risk of infection

PROTOCOLS AFTER COVID-19 EXPOSURE OR A CONFIRMED CASE IN SCHOOL:

- If a staff member or student comes in close contact with a confirmed COVID-19 case, the following should take place:
 - o Send student or staff home for quarantine
 - o Recommend testing
 - o School remains open
 - If a staff member or student has a confirmed COVID-19 infection, the following should take place
 - o Contact Dr. Grant who will work with Shasta County Public Health Department to determine guidance on quarantine, contact tracing and return to school/work which will likely include the following:
 - o Isolate the case and exclude from school for 14 days from symptom onset or test date
 - o Identify contact, quarantine and exclude exposed contacts for 14 days after the last date the case was present at school while infectious
 - o Recommend testing contacts
 - o Disinfect and clean classroom where case spent significant time
 - o School remains open
 - If a staff member or student has tested negative after symptoms, the following should take place:
 - o Return to school when symptoms are no longer present
 - o School remains open
 - When should our school close?
 - o Individual school closure is recommended based on the number of cases, the percentage of the teacher/students/staff that are positive for COVID-19, and following consultation with the Shasta County Public Health Department. Individual school closure may be appropriate when there are multiple cases in multiple cohorts at a school or when at least 5 percent (15 people) of the total number of teachers/student/staff test positive within a 14-day period, depending on the size and physical layout of the school.
 - o The Shasta County Public Health Department or Superintendent may also determine school closure is warranted for other reasons, including results from public health investigation or other local epidemiological data.
 - A school is closed for in-person learning, when may it reopen?
 - o Schools may typically reopen after 14 days and the following have occurred:
 - ? Cleaning and disinfecting
 - ? Public health evaluation
 - ? Consultation with the Shasta County Public Health Department

SCREENING AT SITE:

Staff:

- Self-screen daily prior to the start of school
- Contact District Nurse, if you have a fever or new or worsening symptoms from the symptoms checklist, prior to coming to school

Students:

- Students screened during first period by teacher
- If a student has a temperature of 100.4? or higher, or Covid-like symptoms they will be sent to the isolation room to wait for the parent to pick them up or a District transportation employee will take them home.
- o The office will be contacting parents if students are sent to the isolation room.

VISITORS:

- Visitors are encouraged to conduct all business via telephone, email or Google Meet
- We will encourage visitors who do come to the school to call the office and remain outside the building to do business if possible
- Visitors will only be allowed on campus if:

2022-23 School Safety Plan

- o They have a pre-approved meeting, approved by administration
- o They are wearing a face covering
- o They use hand sanitizer prior to entrance, provided by the office staff
 - FRHS will limit visitors to “pertinent” business only that can’t be conducted by any other means

PHYSICAL DISTANCING:

- Everyone shall stay 6 feet from each other as much as possible.
- Consider virtual meetings using video conferencing apps for parent-teacher meetings and staff meetings, even if all staff are on campus.
- Remove/rearrange furniture to allow maximal spacing between student desks
- Consider using other campus spaces like library, outdoors, etc for instruction to allow more optimal spacing.

IN THE CLASSROOM:

- Masks are to be worn at all times.
- Physical distancing must be maintained where practicable.
- Seating charts will be adhered to for tracing purposes. (Mapping)
- Group work utilizing technology is encouraged, avoiding students facing one another.
- Hand sanitizer upon entry and re-entry (Locate sanitizer near entrance)
- Minimize/Eliminate shared materials (chromebooks, rulers, etc.)
- Teachers avoid “over the shoulder” individual, close-proximity support
- Avoid activities wherein students sing or shout out.
- No food in class, water is allowed, no sharing, maintain masks
- Students are responsible for sanitizing assigned devices
- Arrange desks facing in the same direction, so that students do not sit facing each other.

OUTSIDE THE CLASSROOM:

- At places where students congregate or wait in line, students will social distance themselves.
- Have all freshman lockers together, etc
- o Students should not be sharing lockers
 - If your class is outside of the main building, stay outside
- o Students are encouraged to go outside to switch classes at passing periods
- o Students are encouraged to carry more than one class worth of materials to reduce interaction in hallways
- o Social distancing at tables in the cafeteria as well as in line for food

FACE COVERINGS:

- Students and staff must wear face coverings whenever inside school buildings.
- When outdoors and socially distanced, masks are not required.
- When eating or drinking, students and staff may remove their face masks momentarily when indoors

VENTILATION AND OUTDOOR SPACES:

- Windows can be opened in classrooms to encourage ventilation when practicable.
- o Fans may be used in classrooms as well to move air.
- o Air filters will be changed monthly
 - Masks do not have to be worn outside if social distancing, but congregating in close groups is not allowed.
 - Classes should be encouraged to go outdoors as often as possible, weather permitting.
 - When re-entering or exiting the building, students/staff should wash their hands or use sanitizer.

HAND HYGIENE:

- Students are required to wash their hands/sanitize after using the restroom, before eating, after sneezing, after coming into contact with others, after touching their mask or any other situation where transmission is possible.
- o Please keep hands as clean as possible.

SHARING:

- Students shall refrain from sharing
- o This includes lockers, materials, food/drink, silverware, clothing, etc. Don’t share it.

CLEANING AND DISINFECTING:

- Teachers will assist students in disinfecting the desks, chairs and door handles after each class period, at the beginning of the passing period.

2022-23 School Safety Plan

- Teachers will use materials and chemicals provided by the school
- Teachers are not required to disinfect the room, following their last period of the day, unless an activity will be taking place in the class afterward.
- Custodians will disinfect each room each night

BREAK AND LUNCH

- Students will use hand sanitizer, provided by food services
- Bulldog Bite will enforce social distancing
- The snack machines will be sanitized between each class period by office aides
- Eating locations (follow social distancing and face covering guidelines):
 - o Outside is preferred
 - o High school students may go off campus as usual and junior high students will remain on campus
 - o Teachers may open their rooms for students, should teachers desire and chose to.

HALLWAYS:

- When walking, social distance as practicable
- Avoid main hallway if possible

RESTROOMS:

- Teachers are to keep a log of all students who use the restroom, including period and time.
- Only one student is to be gone from the room at a time.

PE:

- There will be no locker room use therefore students will not dress down. They will bring a pair of tennis shoes to be stored in their main locker.
- Students will be spaced out for social distancing in the gym when practicable
- PE will be held outdoors, weather permitting
- Students will engage in activities that require no sharing of equipment
- Weight room equipment or mats will be sanitized between each student's use

MUSIC:

- Rehearsed outside, weather permitting.
- Appropriate face coverings
- Shared items: stands, chairs, will be sanitized between each class.

TEACHER WORK ROOM/LOUNGE:

- Avoid common areas as much as possible
- Socially distance as practicable
- Use hand sanitizer prior to and after copier and other machinery use
- Recommended to send copies directly to the copier from the teacher computer as practicable
- Use hand sanitizer prior to opening the refrigerator or microwave door in the teachers' lounge.
- o Staff will clean up spills as they occur.

CO AND EXTRA CURRICULARS:

- Athletic competitions are suspended until further notice
- Clubs, weight training, open gym or athletic practices are approved on an individual basis based on ability to socially distance students.

TRANSPORTATION:

- Bus riders will be checked by bus driver at the bus stop before loading for masks and students will sanitize their hands before entering
- If a student has Covid-like symptoms, they will not be allowed to ride the bus
- ALL riders are required to wear masks
- All busses will be sanitized at the end of each route
- Each student will be assigned a permanent seat on the bus
- Students will not be allowed to be dropped off at other locations or ride other busses even with a parent note.

Please understand that this situation is fluid. There are updates that come out from the California Public Health Department and the Shasta County Health Department weekly that may result in this plan to become more or less restrictive. We will keep you informed of any changes.

This information was shared with our School Site Council on January 29, 2022.

2022-23 School Safety Plan

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science				
Social Science				

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science				
Social Science				

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Percent of Budget for Administrative Salaries		

2021-22 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	
English	
Fine and Performing Arts	
Foreign Language	
Mathematics	
Science	
Social Science	
Total AP Courses Offered	
Where there are student course enrollments of at least one student.	

Professional Development

Three days are provided on the school calendar for professional development. The district collaborates with all school sites to provide teachers and administrators with ongoing professional development to improve teaching and learning in the areas of English Language arts, mathematics, science, and history social studies, with added training on meeting the needs of the "whole student." Student equity is also emphasized. The district has also established an ongoing professional development plan with SCOE and site leadership teams to promote a model of best practices using data analysis to help drive instruction.

Throughout the year, site administrators hold staff meetings on short Fridays to enable teachers to share effective strategies with their peers to improve instructional practices. FRHS meets with BHS to collaborate throughout the year regarding curriculum, best practices, and student learning outcomes. This year learning loss, trauma, and social emotional learning were emphasized.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2020-21	2021-22	2022-23
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

Mount Burney Special Education Center

2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Contact Information

School Name	Mount Burney Special Education Center
Street	37577 Mountain View Rd.
City, State, Zip	Burney, Ca,
Phone Number	530-335-4576
Principal	Ray Guerrero, Principal
Email Address	rguerrero@frjUSD.org
School Website	
County-District-School (CDS) Code	45699896050314

2022-23 District Contact Information

District Name	Fall River Joint Unified School District
Phone Number	(530) 335-4538
Superintendent	Merrill M. Grant, Ed.D.
Email Address	mgrant@frjUSD.org
District Website Address	http://www.frjUSD.org

2022-23 School Overview

Mt Burney Special Education Center serves severely handicapped students ages 3-22. The school is located in eastern Shasta County on Highway 299 East, approximately 55 east of Redding. The town of Burney has a population of 3,300 and is the most urban of the rural communities served by the Fall River Joint Unified School District.

The Board of Trustees of the Fall River Joint Unified School District believes that it is the responsibility of the school and home, working together, to provide a positive environment for students within which they may

- Realize potentials for learning
- Develop and maintain basic skills and concepts
- Develop an understanding of responsibilities to self, to family, and to community
- Develop creativity
- Enjoy learning and become lifelong learners
- Respect and appreciate different cultures
- Respect and appreciate the American heritage
- Learn in an environment that fosters a feeling of mutual respect and tolerance
- Learn in a safe, positive environment

About this School

2021-22 Student Enrollment by Grade Level

Grade Level	Number of Students
-------------	--------------------

2021-22 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
---------------	-----------------------------

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned) Intern Credential Holders Properly Assigned Teachers Without Credentials and Misassignments (“ineffective” under ESSA) Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA) Unknown Total Teaching Positions						
<p>Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.</p>						

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned) Intern Credential Holders Properly Assigned Teachers Without Credentials and Misassignments (“ineffective” under ESSA) Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA) Unknown Total Teaching Positions						
<p>Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.</p>

Science Laboratory Equipment (grades 9-12)	N/A	0

School Facility Conditions and Planned Improvements

The district ensures that all schools are clean, safe and functional. Maintenance staff completes the facility survey instrument developed by the State of California Office of Public School Construction to monitor the condition of the facilities. The results of this survey are available at the district office.

Maintenance and Repair

District maintenance staff ensures that repairs are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

The site administrator monitors the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Year and month of the most recent FIT report

December 2022

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X

External: Playground/School Grounds, Windows/ Doors/Gates/Fences	X			

Overall Facility Rate

Exemplary	Good	Fair	Poor
	X		

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A		N/A		N/A	
Mathematics (grades 3-8 and 11)	N/A		N/A		N/A	

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students					
Female					
Male					
American Indian or Alaska Native					
Asian					
Black or African American					
Filipino

Military					
Socioeconomically Disadvantaged					
Students Receiving Migrant Education Services					
Students with Disabilities					

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students					
Female					
Male

Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2021-22 Pupils Enrolled in Courses Required for UC/CSU Admission	
2020-21 Graduates Who Completed All Courses Required for UC/CSU Admission	

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

We are committed to communicating with and engaging parents as partners in their children's education. Parent participation in their child's education is very important for those students who attend Mt. Burney. In addition the staff believes that an active and involved parent group is essential to an active school agenda.

Parents who wish to participate in the School Site Council, school activities, or become a volunteer may contact the school

office.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2019-20	School 2020-21	School 2021-22	District 2019-20	District 2020-21	District 2021-22	State 2019-20	State 2020-21	State 2021-22

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
---------	-------------------	---------------------	------------------

Suspensions

Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22

2022-23 School Safety Plan

Mt. Burney Special Education Center has a Comprehensive Safety and Response Plan which meets the state requirements described in California Education Code Sections 35294-35297. The plan was developed in cooperation with the Shasta County Sheriff's Department and has conducted school wide drills in order to better prepare in the event of an actual emergency. This plan includes disaster procedures, procedures for safe entry and exit of students, procedures for serious disciplinary problems, a sexual harassment policy, child abuse reporting procedures and school discipline policies. In addition, at the beginning of the 2018-2019 school year, all District employees participated in the ALICE (Alert, Lockdown, Inform, Counter, Evacuate) Basic Training Certification with a "live" drill following. ALICE teaches how students and staff can most effectively respond to an Active Shooter situation. The plan is reviewed annually at the start of school in order to ensure that new staff is familiar with all details.

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science				
Social Science				

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts

Social Science				

2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	

2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	

2020-21 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2020-21 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$55,895.00	\$51,088.00	\$4,807.00	\$58,938.00
District	N/A	N/A	\$10,213.00	
Percent Difference - School Site and District	N/A	N/A	-72.0	-11.1
State	N/A	N/A		
Percent Difference - School Site and State	N/A	N/A	-54.9	-19.3

2021-22 Types of Services Funded

- Title I, Part A (Basic Grant)
- Title II, Part A (Teacher Quality)
- Title VII Indian Ed
- Federal, Special Education, Entitlement

2020-21 Teacher and Administrative Salaries

This table displays the 2020-21 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary		
Mid-Range Teacher Salary		
Highest Teacher Salary		
Average Principal Salary (Elementary)		
Average Principal Salary (Middle)		
Average Principal Salary (High)		
Superintendent Salary		
Percent of Budget for Teacher Salaries		
Percent of Budget for Administrative Salaries		

2021-22 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	
English	
Fine and Performing Arts	
Foreign Language	
Mathematics	
Science	
Social Science	
Total AP Courses Offered	

Where there are student course enrollments of at least one student.

Professional Development

Three days are provided on the school calendar for professional development. The district collaborates with all school sites to provide teachers and administrators with ongoing professional development to improve teaching and learning in the areas of English Language arts, mathematics, science, and history-social studies, with added training on meeting the needs of the "whole student." Student equity is also emphasized. Areas of focus include differentiating instruction to meet the needs of all learners. Throughout the year, site administrators hold staff meetings

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2020-21	2021-22	2022-23
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	

Mountain View Continuation High School

2021-2022 School Accountability Report Card

(Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Contact Information

School Name	Mountain View Continuation High School
Street	20375 Tamarack Ave
City, State, Zip	Burney, Ca, 96013-4054
Phone Number	530-335-5189
Principal	Marcy Schmidt - Principal
Email Address	mschmidt@frjUSD.org
School Website	http://www.frjUSD.org
County-District-School (CDS) Code	45699894530010

2022-23 District Contact Information

District Name	Fall River Joint Unified School District
Phone Number	(530) 335-4538
Superintendent	Merrill M. Grant, Ed.D.
Email Address	mgrant@frjUSD.org
District Website Address	http://www.frjUSD.org

2022-23 School Overview

For a variety of reasons, not all students are successful in a traditional high school setting. Some of these students find the continuation high school program better suited to their needs, and are able to work successfully toward their high school diploma. It is important to have continuation high schools and other programs such as independent study as alternatives to dropping out of school. However, while these programs can provide an atmosphere that will help many students, they still require effort on the part of the student. If the student has no motivation or academic goals at all, they will not succeed regardless of the structure of the program.

Our goal is to graduate young adults who are:

- Perceptive Thinkers
- Collaborative Contributors
- Innovative Producers
- Self-directed Achievers
- Adaptable Problem Solvers
- Effective Communicators

About this School

2021-22 Student Enrollment by Grade Level

Grade Level	Number of Students
-------------	--------------------

2021-22 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
---------------	-----------------------------

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
Total Teaching Positions						

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
Total Teaching Positions						

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

The district ensures that all schools are clean, safe and functional. Maintenance staff completes the facility survey instrument developed by the State of California Office of Public School Construction to monitor the condition of the facilities. The results of this survey are available at the district office.

Age of School Buildings

The building was opened in 1936 as a one-room building, it was the community's only school until 1950. It was remodeled in 1950, 1954, 1976, 1985 and 1990.

Maintenance and Repair

District maintenance staff ensures that repairs are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

The site administrator monitors the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Year and month of the most recent FIT report

Overall Facility Rate

Exemplary	Good	Fair	Poor
	X		

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A		N/A		N/A	
Mathematics (grades 3-8 and 11)	N/A		N/A		N/A	

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2021-22 Career Technical Education Programs

N/A

2021-22 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2021-22 Pupils Enrolled in Courses Required for UC/CSU Admission	
2020-21 Graduates Who Completed All Courses Required for UC/CSU Admission	

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

We are committed to communicating with and engaging parents as partners in their children's education. We believe that parents play very important roles through their active participation and involvement. In addition the staff believes that an active and involved parent group is essential to an active school agenda. Parents are afforded the opportunity to be classroom volunteers, committee members and chaperones for various field trips and events.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2019-20	School 2020-21	School 2021-22	District 2019-20	District 2020-21	District 2021-22	State 2019-20	State 2020-21	State 2021-22
Dropout Rate									
Graduation Rate									

2021-22 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2021-22 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
---------	-------------------	---------------------	------------------

Suspensions

Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22

2022-23 School Safety Plan

The alternative education programs have a Comprehensive Safety and Response Plan which meets the state requirements described in California Education Code Sections 35294-35297. The plan was developed in cooperation with the Shasta County Sheriff's Department and has conducted school wide drills in order to better prepare in the event of an actual emergency. This plan includes disaster procedures, procedures for safe entry and exit of students, procedures for serious disciplinary problems, a sexual harassment policy, child abuse reporting procedures and school discipline policies. In addition, at the beginning of the 2018-2019 school year, all District employees participated in the ALICE (Alert, Lockdown, Inform, Counter, Evacuate) Basic Training Certification with a "live" drill following. ALICE teaches how students and staff can most effectively respond to an Active Shooter situation. The plan is reviewed annually at the start of school in order to ensure that newstaff is familiar with all details.

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students

Percent of Budget for Administrative Salaries		

2021-22 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	
English	
Fine and Performing Arts	
Foreign Language	
Mathematics	
Science	
Social Science	
Total AP Courses Offered	

Where there are student course enrollments of at least one student.

Professional Development

Three days are provided on the school calendar for professional development. The district collaborates with all school sites to provide teachers and administrators with ongoing professional development to improve teaching and learning in the areas of English Language arts, mathematics, science, and history-social studies, with added training on meeting the needs of the "whole student." Student equity is also emphasized. Areas of focus include differentiating instruction to meet the needs of all learners. Throughout the year, site administrators hold staff meetings to coach teachers to improve instructional practices

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2020-21	2021-22	2022-23
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

Soldier Mountain Continuation High School

2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Contact Information

Superintendent	Merrill M. Grant, Ed.D.
Email Address	mgrant@frjUSD.org
District Website Address	http://www.frjUSD.org

2022-23 School Overview

For a variety of reasons, not all students are successful in a traditional high school setting. Some of these students find the continuation high school program better suited to their needs, and are able to work successfully toward their high school diploma. It is important to have continuation high schools, and other programs such as independent study as alternatives to dropping out of school. However, while these programs can provide an atmosphere that will help many students, they still require effort on the part of the student. If the student has no motivation or academic goals at all, they will not succeed regardless of the structure of the program. '

Our goal is to graduate young adults who are:

- Perceptive Thinkers
- Collaborative Contributors
- Innovative Producers
- Self-directed Achievers
- Adaptable Problem Solvers
- Effective Communicators

About this School

Percent of Total Enrollment

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned) Intern Credential Holders Properly Assigned Teachers Without Credentials and Misassignments (“ineffective” under ESSA) Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA) Unknown Total Teaching Positions						
<p>Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.</p>						

2021-22 Teacher Preparation and Placement

School Facility Conditions and Planned Improvements

The district ensures that all schools are clean, safe and functional. Maintenance staff completes the facility survey instrument developed by the State of California Office of Public School Construction to monitor the condition of the facilities. The results of this survey are available at the district office.

Age of School Buildings

Soldier Mt. is located in a relocatable portable building which is 7 years old. Maintenance and Repair District maintenance staff ensures that repairs are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

The site administrator monitors the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Exemplary	Good	Fair	Poor
X			

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A		N/A		N/A	
Mathematics (grades 3-8 and 11)	N/A		N/A		N/A	

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2021-22 Pupils Enrolled in Courses Required for UC/CSU Admission	
2020-21 Graduates Who Completed All Courses Required for UC/CSU Admission	

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

We are committed to communicating with and engaging parents as partners in their children's education. We believe that parents play very important roles through their active participation and involvement. In addition the staff believes that an active and involved parent group is essential to an active school agenda. Parents are afforded the opportunity to be classroom volunteers, committee members and chaperones for various field trips and events.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2019-20	School 2020-21	School 2021-22	District 2019-20	District 2020-21	District 2021-22	State 2019-20	State 2020-21	State 2021-22
Dropout Rate									
Graduation Rate									

2021-22 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2021-22 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students			
Female			
Male			
American Indian or Alaska Native			
Asian

Foster Youth				
Homeless				
Socioeconomically Disadvantaged				
Students Receiving Migrant Education Services				
Students with Disabilities				

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
---------	-------------------	---------------------	------------------

Suspensions

Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
---------	-------------------	-------------------	---------------------	---------------------	------------------	------------------

Suspensions

Expulsions

2021-22 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students

Socioeconomically Disadvantaged		
Students Receiving Migrant Education Services		
Students with Disabilities		

2022-23 School Safety Plan

The alternative education programs have a Comprehensive Safety and Response Plan which meets the state requirements described in California Education Code Sections 35294-35297. The plan was developed in cooperation with the Shasta County Sheriff's Department and has conducted school wide drills in order to better prepare in the event of an actual emergency. This plan includes disaster procedures, procedures for safe entry and exit of students, procedures for serious disciplinary problems, a sexual harassment policy, child abuse reporting procedures and school discipline policies. In addition, at the beginning of the 2018-2019 school year, all District employees participated in the ALICE (Alert, Lockdown, Inform, Counter, Evacuate) Basic Training Certification with a "live" drill following. ALICE teaches how students and staff can most effectively respond to an Active Shooter situation. The plan is review annually at the start of school to ensure that newstaff is familiar with all details.

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science				
Social Science				

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science				
Social Science				

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science				
Social Science				

2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	

2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	

2020-21 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2020-21 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$12,570.00	\$318.00	\$12,252.00	\$70,929.00
District	N/A	N/A	\$9,761.00	
Percent Difference - School Site and District	N/A	N/A	22.6	7.4
State	N/A	N/A		
Percent Difference - School Site and State	N/A	N/A	36.8	-0.9

2021-22 Types of Services Funded

- Title I, Part A (Basic Grant)
- Title II, Part A (Teacher Quality)
- Title VII Indian Ed
- Federal, Special Education, Entitlement

2020-21 Teacher and Administrative Salaries

This table displays the 2020-21 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary		
Mid-Range Teacher Salary		
Highest Teacher Salary		
Average Principal Salary (Elementary)		
Average Principal Salary (Middle)		
Average Principal Salary (High)		
Superintendent Salary		
Percent of Budget for Teacher Salaries		
Percent of Budget for Administrative Salaries		

2021-22 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	
English	
Fine and Performing Arts	
Foreign Language	
Mathematics	
Science	
Social Science	
Total AP Courses Offered	

Where there are student course enrollments of at least one student.

Professional Development

Three days are provided on the school calendar for professional development. The district collaborates with all school sites to provide teachers and administrators with ongoing professional development to improve teaching and learning in the areas of English Language arts, mathematics, science, and history-social studies, with added training on meeting the needs of the "whole student." Student equity is also emphasized. Areas of focus include differentiating instruction to meet the needs of all learners. Throughout the year, site administrators hold staff meetings to coach teachers to improve instructional practices.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2020-21	2021-22	2022-23
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3
