

Fall River Community Day

California Department of Education School Accountability Report Card Reported Using Data from the 2015-16 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2016-17)

For a variety of reasons, not all students are successful in a traditional high school setting. Some of these students find the community day school program better suited to their needs, and are able to work successfully toward their high school diploma. It is important to have community day, continuation high schools and other programs such as independent study as alternatives to dropping out of school. However, while these programs can provide an atmosphere that will help many students, they still require effort on the part of the student. If the student has no motivation or academic goals at all, they will not succeed regardless of the structure of the program.

Our goal is to graduate young adults who are:

- Perceptive Thinkers
- Collaborative Contributors
- Innovative Producers
- Self-directed Achievers
- Adaptable Problem Solvers
- Effective Communicators

The mission of our Community Day Schools is to meet the California Department of Education regulation 48916.1 (a) "At the time an expulsion of a pupil is ordered, the governing board of the school district shall ensure that an education program is provided to the pupil who is subject to the expulsion order for the period of the expulsion", the Fall River Joint Unified School District established the Community Day School Program. This program provides students the opportunity to earn readmission to the regular program at the end of the required term and to prepare those who do not qualify for readmission for the next steps in their educational career.

School Facility Conditions and Planned Improvements

The district ensures that all schools are clean, safe and functional. Maintenance staff completes the facility survey instrument developed by the State of California Office of Public School Construction to monitor the condition of the facilities. The results of this survey are available at the district office.

Maintenance and Repair

District maintenance staff ensures that repairs are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

The site administrator monitors the custodial staff to develop cleaning schedules to ensure a clean and safe school.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16

Mathematics (grades 3-8 and 11)	--	--	30.0%	34.0%	34.0%	36.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

School Safety Plan (School Year 2016-17)

Fall River Community Day has a Comprehensive Safety and Response Plan which meets the state requirements described in California Education Code Sections 35294-35297. The plan was developed in cooperation with the Shasta County Sheriff's Department and has conducted school wide drills in order to better prepare in the event of an actual emergency. This plan includes disaster procedures, procedures for safe entry and exit of students, procedures for serious disciplinary problems, a sexual harassment policy, child abuse reporting procedures and school discipline policies. The plan is reviewed annually at the start of school in order to ensure that new staff is familiar with all details.

Professional Development

Three days are provided on the school calendar for professional development. The district collaborates with all school sites to provide teachers and administrators with ongoing professional development to improve teaching and learning in the areas of English Language arts, mathematics, science, and history-social studies. Areas of focus include differentiating instruction to meet the needs of all learners. Throughout the year, site administrators hold staff meetings to coach teachers to improve instructional practices.
