## California Department of Education School Accountability Report Card Reported Using Data from the 2015-16 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2016-17)

Burney Junior- Senior High School serves students in seventh through twelfth grades. The school is located in eastern Shasta County on Highway 299 East, approximately 55 east of Redding. The town of Burney has a population of 3,300 and is the most urban of the rural communities served by the Fall River Joint Unified School District.

The Board of Trustees of the Fall River Joint Unified School District believes that it is the responsibility of the school and home, working together, to provide a positive environment for students within which they may:

- Realize potentials for learning
- Develop and maintain basic skills and concepts
- Develop an understanding of responsibilities to self, to family, and to community
- Develop creativity
- Enjoy learning and become lifelong learners
- Respect and appreciate different cultures
- Respect and appreciate the American heritage
- Learn in an environment that fosters a feeling of mutual respect and tolerance
- Learn in a safe and positive environment

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

#### Teacher Credentials

## School Facility Conditions and Planned Improvements

The district ensures that all schools are clean, safe and functional. Maintenance staff completes the facility survey instrument developed by the State of California Office of Public School Construction to monitor the condition of the facilities. The results of this survey are available at the district office.

### Age of School Buildings

Burney Jr. Sr. High School opened in 1969 and underwent modernization under Measure J which was approved by the voters in 2004.

### Maintenance and Repair

District maintenance staff ensures that repairs are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

### Cleaning Process and Schedule

The site administrator monitors the custodial staff to develop cleaning schedules to ensure a clean and safe school.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students

Subject	Percent of Students Meeting or Exceeding the State Standards

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**Career Technical Education Programs (School Year 2015-16)**

Burney Junior Senior High School offers ROP classes, technical and vocational classes, and career exploration programs to help students prepare for college and career opportunities. Burney Junior Senior High School is in the process of developing Career & Technical Education (CTE) pathways in computer technology and industrial technology. Students have access to the College to Career (CTC) Center on campus. Students can use the CTC Center to apply for colleges, universities, and technical schools, complete FAFSA applications, meet with career, college, and military representatives, and explore post-secondary opportunities. Students receive assistance in the CTC Center from a counselor funded by College Options.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

#### Opportunities for Parental Involvement (School Year 2016-17)

We are committed to communicating with and engaging parents as partners in their children's education. Beginning in the 2015-2016 school year, teachers have been documenting all communication with parents and communication has increased through the use of email. We believe that parents play very important roles at Burney Junior-Senior High School through their active participation and involvement. In addition the staff believes that an active and involved parent group is essential to an active school agenda. Parents and interested citizens have the opportunity to be involved in School Site Council, Boosters Club, and various annual events. Parents who wish to participate in the School Site Council, school activities, or become a volunteer may contact the school office.

## School Safety Plan (School Year 2016-17)

Burney Junior-Senior High has a Comprehensive Safety and Response Plan which meets the state requirements described in California Education Code Sections 35294-35297. The plan was developed in cooperation with the Shasta County Sheriff's Department. The school has conducted school wide drills in order to better prepare in the event of an actual emergency. This plan includes disaster procedures, procedures for safe entry and exit of students, procedures for serious disciplinary problems, a sexual harassment policy, child abuse reporting procedures and school discipline policies. The plan is reviewed annually at the start of school in order to ensure that new staff is familiar with all details.

**Professional Development**

---

Three days are provided on the school calendar for professional development. The district collaborates with all school sites to provide teachers and administrators with ongoing professional development to improve teaching and learning in the areas of English Language arts, mathematics, science, and history-social studies. Areas of focus include differentiating instruction to meet the needs of all learners. Throughout the year, site administrators hold staff meetings
