Fall River Junior-Senior High

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.

- View this SARC online at the school and/or LEA Web sites.

- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.

- For additional information about the school, parents and community members should contact the school principal or the district office.

## School Description and Mission Statement (Most Recent Year)

Fall River Junior-Senior High School (FRHS) is a six year comprehensive junior-senior high school (grade 7 through 12) in the Fall River Joint Unified School District. It is located four miles northeast of Fall River Mills in the town of McArthur, California. The district encompasses a large geographic area of 1200 square miles. Ninety-five percent of the FRHS students drive or are bussed to school. The local economy depends upon agriculture, forest management, lumbering, public, county, state, and federal government agencies, hospital, P.G.& E., small businesses, and tourism. Our community values education as evidenced by the strong support provided by parents, community members and local businesses.

Our vision includes working together to produce students who are Effective Communicators, Critical Thinkers and Problem Solvers, Collaborating Team Members, and Creators and Innovators. We believe our students should experience mastery over the world, observe themselves recover from disappointment or failure, and in response, persevere, and recognize the power of giving.

School Facility Conditions and Planned Improvements - Most Recent Year

The district ensures that all schools are clean, safe and functional. Maintenance staff completes the facility survey instrument developed by the State of California Office of Public School Construction to monitor thecondition of the facilities. The results of this survey are available at the district office.

Age of School Buildings

Fall River Jr. Sr. High
was opened in 1911. The current facility was built in 1939, renovated in 1969, and underwent another modernization in 2004.

Maintenance and Repair

District maintenance staff ensures that repairs are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Cleaning Process and Schedule. The site administrator monitors the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar for dollar basis, to assist school district with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

We are currently having an enery assessment and are hopeful to replace windows with Prop 39 money.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement - Most Recent Year

We are committed to communicating with and engaging parents as partners in their children's education. We believe that parents play a very important role through their active participation and involvement in School Site Council, Athletics, Boosters Club, Advisory Committees, various events, classroom volunteers and as Senior Project oral board judges, paper readers, and mentors. We have an updated school website that includes the daily bulletin, athletic schedules and other important events, and the ABI portal (which allows students and parents to access grades). FRHS is a focal point and center for students, their parents and the community. We encourage and welcome parent/family involvement.

School Safety Plan - Most Recent Year

Fall River Jr. Sr. High has a Comprehensive Safety and Response Plan which meets the state requirements described in California Education Code Sections 35294-35297. The plan was developed in cooperation with the Shasta County Sheriff's Department and has conducted school wide drills in order to better prepare in the event of an actual emergency. This plan includes disaster procedures, procedures for safe entry and exit of students, procedures for serious disciplinary problems, a sexual harassment policy, child abuse reporting procedures and school discipline policies. The plan is reviewed annually at the start of school in order to ensure that new staff is familiar with all details. The Fall River Joint Unified School District had Safe Schools Alliance come in to do a study on our District to make sure that the policies and procedures we have in place are appropriate and that we are prepared for any safety emergency. Our District places a very high value on our students' safety.

Professional Development – Most Recent Three Years

Three days are provided on the school calendar for professional development. The district collaborates with all school sites to provide teachers and administrators with ongoing professional development to improve teaching and learning in the areas of English Language arts, mathematics, science, and history social studies. The district has also established an ongoing professional development plan with SCOE and site leadership teams to promote a model of best practices using data analysis to help drive instruction.

Throughout the year, site administrators hold staff meetings on short Fridays to enable teachers to share effective strategies with their peers to improve instructional practices. FRHS meets with BHS to collaborate throughout the year regarding curriculum, best practices, and student learning outcomes.
